Accommodations and Special Features

The **MARINER** is built on the highly regarded **DELTA MARINE** 43 foot Charter Boat Hull with a custom aluminum superstructure which was finished by Jones Goodell's Boatyard. This yacht is perfectly suited for long range cruising for the fisherman that wants the finest and most stable platform to ensure safety and performance while at sea. The **MARINER** comes equipped with tournament sportfishing equipment including dual helm stations, (Piilot House and Flybridge), enabling you to fish successfully for Salmon, Sturgeon, Halibut, and Albacore Tuna. When the fishing day is done, you will be equally comfortable relaxing in the roomy salon with a very open and brite configuration and appointed with the finest materials in fit and finish.

Deck and Hull Features:

The **MARINER** uses a semi-displacement hull with fiberglass decks, and a custom aluminum super-structure. Eight stainless steel cleats are provided with thru hull chocks, and life rails are provided around all gunwale and flybridge areas. The Rear deck features an open and spacious platform designed perfectly for the sportfisherman; with 48" by 25" molded fiberglass Tournament Bait station; 48" molded Fish box with seat back and seat cushions. The anchor windlass has easy push button operation, and provides a Bruce anchor with 300 feet of chain. There is also a spare Danforth anchor with 150 feet of line.
